

ENVIRONMENTAL, SOCIAL & SAFETY (ESS) COMMITTEE CHARTER

1. COMPOSITION

The Environmental, Social & Safety (**ESS**) Committee comprises at least three Directors. The Chair of the Committee will be an independent Director with sufficient related experience, appointed by the Board from the Committee's members and will not be the Chair of the Board.

From time to time, non-Board members may be invited to attend all or part of any Committee meeting, as appropriate. The Committee may ask management to present at Committee meetings on issues relevant to the Committee's areas of responsibility.

2. ROLE

The function of the ESS Committee is to assist the Board in implementing the Company's Core value of Safety and the Company's Sustainability Vision: *Delivering responsible environmental and social business practice that lead to both the creation of strong economic returns for our Shareholders and shared value for our stakeholders.*

In particular, the ESS Committee will assist the Board in its oversight, monitoring and review of the Company's practices in the following key areas:

- a) ensuring workplace health and safety;
- b) valuing workforce diversity;
- c) minimisation and management of environmental risks and impacts;
- d) demonstrating community and social responsibility;
- e) sound business ethics and fair and ethical dealings with stakeholders; and
- f) long term ESS strategic goals.

3. OPERATIONS

The Committee shall meet at least four times a year or as required. Committee meetings will be convened and conducted according to the same rules as apply to Board meetings as set out in the Company's constitution.

4. RESPONSIBILITIES

The function of the Committee is to review and make recommendations to the Board, on:

- a) economically, environmentally and socially responsible business practices that align with the Company's Core Values and Sustainability Vision that the Company's stakeholders expect the Company to meet;
- b) providing a safe, healthy, fair and rewarding workplace for the Company's personnel;
- c) the integrity of the Company's safety and sustainability reporting;
- d) compliance with the Company's Safety and Health Policy, Environmental Policy, Stakeholder Policy and Sustainability Vision, and relevant legal and regulatory requirements;
- e) reviewing the effectiveness of the Company's policies and programs in achieving the Company's Sustainability Vision against best practice standards;
- f) any recommendations from management in relation to industry trends and standards in ESS; and
- g) such other functions as assigned by the Board.

5. AUTHORITY AND RESOURCES

The Company is to provide the Committee with sufficient resources to undertake its duties.

The Committee has the authority, as it deems necessary or appropriate, to obtain advice from external consultants or specialists in relation to safety and sustainability related matters.
