# NORTHERN STAR COMPLETES A\$300M ON-MARKET SHARE BUY-BACK

## Buy-back completion aligns with disciplined capital allocation priorities and focus on shareholder returns

Northern Star Resources Ltd (ASX: NST) is pleased to announce the successful completion of its first on-market share buy-back program. The A\$300 million program was executed at an average price of A\$11.04 per share, with a total of 27,172,098 NST shares purchased.

The buy-back program aligns with Northern Star's disciplined capital allocation priorities, which include returning cash to shareholders, investing in profitable organic growth and maintaining a strong balance sheet. The program complements the Company's dividend policy, which targets to pay out between 20-30% of Cash Earnings<sup>1</sup>. The Board continues to assess all forms of capital management to generate superior returns for our shareholders.

The A\$300 million on-market share buy-back program commenced on 15 September 2022.

Commenting on the completion of the buy-back, Northern Star Managing Director Stuart Tonkin said:

*"I am pleased that we have completed our \$300 million share buy-back program. The average purchase price of \$11.04 per share demonstrates our disciplined approach to value creation for all our shareholders."*

Authorised for release to the ASX by Stuart Tonkin, Managing Director & CEO.
